

2019 Honeywell Verifier Promotion

Take advantage of a 10% stackable project registration discount when you sell 10 or more units of the all-new PX940V high-performance industrial printers with integrated label verification technology.

All PX940V series printers include a verifier with perpetual license, full-touch display, universal firmware, ethernet, USB, serial, low-power Bluetooth®, ribbon ink in/out, media core, direct thermal, and thermal transfer.

How It Works

- Distributors and Resellers should quote promotion code “**PX940V**” to access the promotional price.
- **All purchased units must be invoiced and shipped by December 31st, 2019.**
- The promotion is available between **July 1st** and **December 31st, 2019.**
- Offer valid on PX940V industrial printer with integrated label verification technology only. All other printer configurations and accessories are excluded from this offer.
- The Promotional price is a pass-through discount and should be deducted from the usual reseller buy price, which is entirely the decision of the Distributor.

Qualifying Products and Discounts

The additional discount will be passed to Resellers at the point of sale by the Distributor.

Minimum order quantity of 10 units is required to take advantage of this promotional offer.

Eligible list of products is available in the Annex

Reseller Terms and Conditions

1. **The Honeywell Verifier Promotion** (referred to as “the Promotion” hereafter), is available to all Resellers, authorized to sell Honeywell products in Europe.
2. The Promotion run dates are **July 1st - December 31st, 2019**.
3. The Promotion **cannot** be used in conjunction with Price Exception, Demo or any other special discount.
4. The Promotion **can** be used in conjunction with the Performance Partner Program Tier based discount & Project Registration.
5. The additional discount outlined in the Qualifying Products & Discounts table will be provided to the Reseller by the Distributor, or by Honeywell if the Reseller is eligible to purchase direct, at the point of purchase.
6. Where the purchase is via Distribution, the additional discount will be subtracted from the standard Reseller buy price as determined by the Distributor.
7. The Reseller Buy Price is entirely at the discretion of the Distributor.
8. Standard lead times apply.
9. The decisions of Honeywell in respect of any and all aspects of the promotion will be final and binding.
10. Honeywell reserves the right to amend or cancel the terms of this offer at any time without prior notice.
11. **Promoter:** Honeywell Safety and Productivity Products, Burgemeester Burgerslaan 40, 5245 NH Rosmalen, The Netherlands.
