# Epson TM-L500A Ticket

---

DATASHEET / BROCHURE

---

Get fast and flexible printing for tickets and labels with the Epson TM-L500A Ticket, which works with a wide variety of paper types.

The TM-L500A Ticket helps cut your ticket queues with its fast print speeds, and is compatible with many types of paper - including thick media for high-quality printouts with both text and graphics.

### Wide paper choice

Enjoy even more media flexibility with the optional external paper supply. Switching between different paper types is painless thanks to the paper detection sensors.

### Compact design

Free up your counter space - the TM-L500A Ticket's small footprint and modular construction allows it to fit easily into most environments, including kiosks.

### Customisable

Select from a range of options to suit your needs: LCD screen and control board, RFID reader/writer, and external paper roll holder accommodating paper widths of 54, 80 and 82mm.

### Easy integration

Integration is simple with the printer's USB and serial interfaces. You can print from any Windows® application with the included driver, and the printer also features the world's most commonly-used POS communication set, ESC/POS, making software implementation straightforward.

### Low maintenance

You can depend on the TM-L500A Ticket for trouble-free, day-to-day printing, as its sturdy autocutter lasts around 1 million cuts and the printer itself has a long life of approximately 100km.

---

## KEY FEATURES

---

- **Fast printing**  
Helps cut ticket queues
- **Media flexibility**  
Works with a variety of paper
- **Compact design**  
Fits easily into most environments
- **Easy integration**  
USB and serial interfaces
- **Low maintenance**  
Autocutter lasts around 1 million cuts

## PRODUCT SPECIFICATIONS

### PAPER

Paper size	54,00 ± 0,50 (W) mm x dia 184,10 mm, 79,50 ± 0,50 (W) mm x dia 184,10 mm, 82,50 ± 0,50 (W) mm x dia 184,10 mm
------------	---

### INTERFACES

Interfaces	USB 2.0 Type B, RS-232
------------	------------------------

### POWER

Power Supply	PS-180 (option)
Operating voltage	24 V

### GENERAL

Product dimensions	156 x 230 x 122 mm (Width x Depth x Height)
Product weight	2,8 kg
Colour	Epson Dark Grey
Noise Level	Operation: 57 dB (A)
Installation	horizontally
Humidity	Operation 10% - 80%, Storage 10% - 90%
Temperature	Operation 5° C - 45° C, Storage -20° C - 50° C

### FONTS & STYLES

Print Speed	250 mm/sec
Character set	95 Alphanumeric, 16 set International, 128 x 30 Graphic
Dot density	203 dpi x 203 dpi

### STANDARDS COMPLIANCE

EMC Standards	CE marking
Safety standards	TÜV, GOST-R

### OTHER FEATURES

Cutter	Full Cut
Sensors	Black Mark Sensor, Cover Open Sensor
