

# LabelWorks LW-Z700FK (QWERTY)

## DATASHEET / BROCHURE

## Sturdy and practical industrial label maker designed to boost productivity at a highly competitive price

Destined to become a valuable tool for installers of mechanical, electrical and network IT equipment is this sturdy, practical and cost-effective industrial label maker. Featuring hot keys, a mixed label length function and other hands-free features, label-making on the LW-Z700FK is all about boosting productivity with the latest features, but at a competitive price.

### Durable design

Aimed at tough environments, the LW-Z700FK has a hard carry case for valuable protection, while a large carry handle makes it mobile.

### Hands-free use

Hot keys cut-down on typing while repetitive jobs are streamlined thanks to its innovative Pick & Print feature, which automatically prints the next label in a pre-set series when it detects that the user has selected the previous label.

### Easy to use

With tape detection, an automatic cutter and Drop Stop function, labelling cables, wiring, small pipes and other electrics or machinery has never been easier.

### Plenty of choice

The LW-Z700FK offers six different widths from 4-24mm, and 100 label designs. Tapes are suited to all kinds of environments, with the addition of both magnetic and heat-shrink tape to a roster that already includes heat-resistant, glow in the dark, reflective and iron-on labels, among others.

### Professional results

As well as fast-printing in 180dpi quality, the bundled Epson Label Editor software makes it quick and simple to transfer a image of a company logo to the LW-Z700FK for using on cable labels, adding a professional touch.

## KEY FEATURES

- **Pick & Print**  
Streamline repetitive tasks
- **Fast 180dpi print**  
Professional-looking results
- **Practical design**  
Hard case, carry handle and magnet for easy mounting
- **Print logos and images**  
Data download function with easy-to-use software
- **Plenty of choice**  
50 lengths, six widths & 100 label designs
