

mCase Duo™ for OtterBox uniVERSE

Tablet solutions

Turn your tablet into an mPOS solution

mCase Duo for OtterBox uniVERSE is a mounting solution that enables a payment terminal to be connected via the mCase Duo to your tablet uniVERSE case to create a versatile cost effective and simple to use mobile point of sale (mPOS).

Compatibility

uniVERSE case systems for a variety of Apple and Samsung tablet devices.

mCase for a variety of payment devices from all leading manufacturers.

Benefits

- Creates a simple, cost effective mPOS solution
- Fixed POS, mobile or hybrid options
- Easily integrate a range of payment devices with tablets
- Delivers great customer service and no more queues – serve customers where most convenient for them
- Rotating or fixed payment mount attachment designed specifically for uniVERSE tablet cases
- Allows camera access on all devices for a range of business uses (Rotation only)
- Centre connector with quick release adapter for uniVERSE tablet cases providing the option to ergonomically mount to a counter, floor stand or wall mount
- Existing SpacePole customers can maximise investment by utilising existing poles, mounts and mCases
