

# HONEYWELL CHANNEL PARTNER DC/WAREHOUSE PRODUCT GUIDE

At a Glance

LINE OF BUSINESS	PLATFORM/FAMILY	FEATURES » PERFORMANCE » DURABILITY					
MOBILITY	ScanPal™ Mobile Computer		<b>EDA61K</b> The 4G-capable, rugged, keyed, mobile computer for DC applications				
MOBILITY	Mobility Edge™ Mobile Computer		<b>CT40 Wearable/CT40 XP</b> The powerful, connected wearable mobile computer designed for speed and accuracy in ecommerce, and DC applications. Select models available with Disinfectant-Ready Housings		<b>CT60/CT60 XP</b> The rugged, touchscreen, mobile computer designed for couriers, shipping, DC backrooms and delivery workflows. Offered with Disinfectant-Ready Housings		
MOBILITY	Mobility Edge Hand-Held Computer				<b>CN80 WWAN</b> Ultra-rugged mobile computer that helps improve the speed and accuracy of DC workflows with 4G capability		<b>CK65*</b> Ultra-rugged device that boosts supply chain productivity with extended life cycle and FlexRange™ imager
MOBILITY	Mobility Edge Vehicle-Mounted Tablet/Computer		<b>RT10</b> Rugged tablet designed for rapid user adoption, minimized TCO and optimized T&L work flows within a DC environment. Available for Windows® and Android™ applications		<b>VM1A</b> Ultra-rugged vehicle-mounted mobile computer designed for productivity in warehouse, light T&L and freight operations. Includes cross docking and ports		<b>VM3A</b> Industry's most capable full-sized rugged vehicle-mounted mobile computer designed for productivity in warehouse, light T&L and freight operations. Includes cross docking and ports
PRINT	Desktop Printer		<b>PC</b> Comprises industrial label printers for up to 7,000 labels a day		<b>MP</b> Contains the industry's smallest all-metal rugged label printer. Rugged and easy-to-use		
PRINT	Industrial Printer		<b>PX4/6 Series</b> Durable, high-contrast print for consistent scanning performance. Improve productivity and reduce down time through optimized hardware performance – high print speed, smart print capabilities, connectivity		<b>PM Series</b> The built-in “smarts” of our PM series printers offer greater efficiency and lower cost, for high-demand printing needs. The PM device can print up to 7,000 labels per day		<b>PX940V</b> The only industrial printer with built-in ANSI grade verifier and ±0.2 mm precision to guarantee barcodes can always be scanned and print end-to-end on small labels. The PX series can print in excess of 10,000 labels per day

**LINE OF BUSINESS**   **PLATFORM/FAMILY**   **FEATURES » PERFORMANCE » DURABILITY**

SCAN	Wearable Scanner	 <p><b>8670</b> When paired with a VMT or mobile device, the 8670 Ring Scanner is a hands-free device, with excellent scan performance and best-in-class motion tolerance</p>	 <p><b>8680i</b> The wearable, ergonomic solution designed to streamline retail workflows like picking, sorting and putaway</p>
------	------------------	--	--

SCAN	Area-Imaging Scanner	 <p><b>Granit™ XP 199Xi</b> Granit XP scanners provide extreme performance scanning with best-in-class ruggedness for rock-solid reliability and low total cost of ownership</p>
------	----------------------	---

**SOFTWARE**

 <p><b>Guided Work</b> Gives operations the boost needed to compete at peak efficiency</p>	 <p><b>Smart Talk</b> A smarter all-in-one communications solution connecting all mobile device enabled workers</p>	 <p><b>Operational Intelligence</b> One centralized, cloud-based platform to manage and analyze data related to organizational assets, tasks and people</p>
