Healthcare Solutions Summary Guide

ZEBRA CAPTURE YOUR EDGE

MOBILE COMPUTERS

TC52-HC
- Builds on highly successful TC51-HC
- Built on new platform with extended capabilities
- Most powerful voice solution
- Secure text messaging, mobile alarms and alerts
- Secure EHR access
- Medical grade housing withstands constant exposure to disinfectants

TC51-HC
- Superior clinical collaboration
- Data capture and device
- management tools
- Powerful 1.8 GHz hexa-core
- 64-bit processor
- Secure EHR access
- Medical grade housing withstands constant exposure to disinfectants

ET51/56
- Choose Android or Windows 10
- Accessories for any use case
- 4G LTE Support (ET56)
- Low TCO
- 8" or 10" daylight viewable screens
- Fully rugged but lightweight

PRINTERS

ZD510-HC
- The industry's easiest to use and most dependable wristband printing solution
- Prints on Zebra's Z-Bands, up to 4x more durable than the leading competitor
- Medical grade housing withstands constant exposure to disinfectants

ZD410-HC
- Designed for hospital, clinic, laboratory and pharmacy applications
- Smallest printer in its class
- Suitable for hospital patient identification
- Direct thermal helps to protect privacy by leaving no record on a ribbon
- Medical grade housing withstands constant exposure to disinfectants

ZD420-HC
- Best-in-class print quality
- Field installable communication or media handling options
- Manage anywhere with Link-OS
- Medical grade housing withstands constant exposure to disinfectants

ZD620-HC – Locking
- Easy configuration and printer management with the optional color LCD and 10-button user interface
- Comprehensive connectivity options
- Manage anywhere with Link-OS
- Medical grade housing withstands constant exposure to disinfectants

ZT230
- S4M replacement that easily integrates into your environment
- Rugged all-metal case
- 450 m/1476' ribbon capacity
- Graphical LCD user interface

ZT410
- Easy to use — increases printer uptime and decreases training requirements
- Flexibility with field installable media handling and communications options
- Link-OS® and Print DNA for better management and security

ZQ610-HC
- Designed specifically for healthcare
- Color display of printer status
- Fastest, most dependable wireless connections
- Improve specimen labeling accuracy and patient safety
- Medical grade housing withstands constant exposure to disinfectants

ZQ620-HC
- Advanced technology
- Innovative design
- Large color display
- Superior battery management
- Instant wake-up feature
- Fast 802.11ac and Bluetooth wireless connection
- Medical grade housing withstands constant exposure to disinfectants

SCANNERS

DS8178-HC Cordless
- Continuous 24-hour scanning with Zebra's exclusive PowerPrecision + smart battery charge gauge
- Zebra's Wi-Fi Friendly Mode ensures no interference with your wireless network
- Visionary visibility into scanning and battery performance metrics to easily identify and replace aging batteries, reducing the time, effort and cost required to manage the battery pool
- Paging button to easily locate scanner
- The latest disinfectant-ready plastics to withstand the highly aggressive disinfectants used in today's hospitals
- Green aiming spot avoids blue wavelengths, which can potentially cause eye injury

DS8108-HC Corded
- PRZM Intelligent Imaging and 800 MHz microprocessor instantly capture dense, tiny, curved, poorly printed, shiny, crinkled, faded, distorted, dirty or damaged barcodes
- Unique Direct Decode Indicator provides visual feedback for successful scans
- Night mode with vibrate helps minimize disturbance to patients
- The latest disinfectant-ready plastics to withstand the highly aggressive disinfectants used in today's hospitals
- Green aiming spot avoids blue wavelengths, which can potentially cause eye injury

DS9908-HD
- True hybrid form factor that is purpose-built for the lab with both handheld and hands-free use
- Combines an 800 MHz microprocessor, high-resolution megapixel sensor and Zebra's exclusive PRZM Intelligent Imaging technology for unparalleled scanning performance on difficult barcodes
- Capture tiny and curved barcodes
- Easily read color-coded labels

DS9908R-HD
- Combines barcode scanning and UHF RFID reading/writing in a single platform
- Built for lab environments, offering unparalleled productivity and ease of use
- Get first-time, every time capture of small, high density, curved and color-coded barcodes
- Hybrid design provides seamless switching between handheld and hands-free scanning

CS4070-HC
- Day and night 'Do Not Disturb' modes
- PRZM Intelligent Imaging technology
- Scan virtually any bar code on any medium
- Designed to last an entire busy 12-hour shift, with an LED indicator that alerts users when a battery change is needed
- IP52 sealing and a specially designed disinfectant-ready plastic housing allow safe wipe-down with a wide variety of harsh chemicals to help prevent the spread of germs

BARCODE WRISTBANDS

LaserBand2® Advanced
- Advanced shape and design makes assembly easy and allows the wristband to lie flat on the wrist to enable quick scanning,
- Self-laminating design protects printed text and barcodes
- Available in adult, pediatric and infant sizes, as well as a labor and delivery format
- Latex-free

ComfyCuff® + Swaddle Band
- Soft, foam cuff protects an infant's delicate skin
- Swaddle Band enables quick scanning of swaddled babies by creating an extension between the ComfyCuff and the barcode ID tag
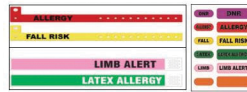

Z-Band®
- Up to 4x more durable than the leading competitor
- UltraSoft line is one of the softest available
- Latex-free

BARCODE LABELS

Thermal Barcode Labels
- Over 100 paper and synthetic label and tag materials
- 400 stock ZipShip℠ products that are ready to ship

Alert Solutions
- Color-coded wristbands and labels pre-printed with patient conditions
- Supports U.S. color-coding standards for patient conditions such as allergy, DNR, fall-risk, latex-allergy, and restricted limb

RFID Labels
- Patient ID, specimen, laboratory and pharmacy labeling, document and patient records management
- Asset tracking of wheelchairs, beds, oxygen canisters, IV pumps and medical diagnostic tools

Blood Bag Labels
- 8000T Primary Blood Bag: Thermal transfer, polypropylene label with a permanent acrylic adhesive designed for direct labeling of IV bags and blood bags
- Meets FDA 175.105 for indirect food contact requirements

Microscope Slide Labels
- Designed to withstand the most common stains and chemicals found in laboratories
- Remains readable ensuring reliable sample identification

SOFTWARE AND SERVICES

One Care®
Maximize Zebra device uptime and business performance with Zebra OneCare Support Service.

VisibilityIQ™ Foresight
The data-driven, actionable insight to get the most from your devices, workers and daily tasks. Conveniently see how your devices are performing and decide what next steps you can take to improve your operations. VisibilityIQ™ Foresight combines multiple sources of data and provides actionable insights in a single pane of glass to streamline workflows.

Signature Services
Zebra Signature Services accelerate your ability to unlock intelligence from the edge of your network, giving you the capability to act upon real-time data so you can run your business more reliably and productively.

Zebra DNA
Zebra DNA is a portfolio of software, applications and utilities that transforms your Zebra mobile computers, scanners and printers into true enterprise solutions.

Print Secure
Block unwanted access and ensure your printer data and infrastructure are protected

Workforce Connect
The easy way to marry all your voice and data communications into one multi-functional mobile computer

PPME (Printer Profile Manager Enterprise)
Manage all your networked Link-OS printers from a single location.

PowerPrecision Battery Management
With PowerPrecision and PowerPrecision+ batteries, you have critical intelligence about their health, while the on-device Battery Management application gives you the visibility to anticipate and avoid issues.

MotionWorks
Zebra MotionWorks™ arms you with actionable insights so you can optimize your business at the performance edge.
