

FUSION

10" All-In-One PC POS System With Built-In Printer

FUSION is a 10" PC POS with a stylish and compact design for Retail as "all in one" point of sale and for customer services (phone top-ups, bets, stamp duty payment). Featuring an innovative design and technology, FUSION offers a new way of using the Touch Screen, which has been vertically mounted to improve ergonomics, for a modern look and to take up a reduced amount of space at the till. Fusion is fitted with a bright 10" (800x1280) monitor with project capacitive touch screen, an autocutter integrated 80mm printer, an assisted paper feeding mechanism and an integrated customer display. Available with its SDK to interface printer and display.

ACCESSORIES

- MSR reader
- Dallas key
