

2023 PROFIT PLUS

HONEYWELL REGIONAL PROGRAM

HOW IT WORKS

Resellers should quote promotion code **PLUS23** to access the promotional price.

The program is available on purchases of the qualifying products, that are shipped and invoiced between **January 1st** and **March 31st 2023**. Standard lead times apply.

This program is exclusive to all Resellers authorized to sell Honeywell products in Europe.

This promotional price is a pass-through discount and should be deducted from the usual Reseller Buy Price, which is entirely the decision of the Distributor.

This pricing **cannot** be used in conjunction with Price Exception, Project Registration, or Demo Discounts.

The decisions of Honeywell in respect to any and all aspects of the promotion will be final and binding.
