2023 Honeywell Program Italy, Iberia, Eastern Europe

This entry-level laser scanning solution is ideal for organizations with limited barcode scanning needs, and now at an ultra-competitive price!

Honeywell's Eclipse 5145 is a single-line, handheld laser scanner with a compact form factor perfect for retail applications. Honeywell's patented CodeGate™ technology allows the user to easily target the desired barcode and complete data transmission with a simple press of a button.

The Eclipse 5145 a perfect selection for menu scanning, point of sale, document processing, and inventory control. This entry-level laser scanning solution is ideal for organizations with limited barcode scanning needs.

HOW IT WORKS

Resellers should quote the code **PROMO-1572** when ordering to access the discount.

The program is available for purchases of the qualifying products below, which are shipped and invoiced between **January 1st and December 1st 2023**. Standard lead times apply.

The price is a pass-through discount and should be deducted from the usual Reseller Buy Price, which is entirely the decision of the Distributor.

This pricing **cannot** be used in conjunction with Price Exception, Project Registration or Demo Discounts.

The decisions of Honeywell in respect of any and all aspects of the program will be final and binding.
